Dear Members,

Please accept our apologies once again for the smaller than usual Under 5's timetable for term 1 2012. As you may notice now, we are very close to completing the reconstruction of the club and hope to have our new facilities available for programming by the start of term 2.

While we will have less space than we had hoped for the term 1 programs, our dedicated instructors have worked tirelessly to develop programs which maximise the space we have and provide the best possible classes for your little one.

As construction work nears completion, we will strive to keep you updated on planned new programs and availability for term 2.

We trust that you and your child will have a rewarding and fulfilling experience this term at the Carindale PCYC.
