BRANCH MANAGERS REPORT

The Carindale PCYC has recently embarked on being a provider for the very popular Brisbane City Council GOLD (Growing Old Living Dangerously) Program. Activities such as Tai Chi, Table Tennis, Pool, Board Games, Card Making and Square Dancing are occurring during the day for many senior citizens. If anyone thought some of these activities were a little lame, front up to a competitive Granny playing scrabble or table tennis and you will soon learn that the competitive spirit lives on in everyone. If you know of anyone who has a little bit of free time and would like to meet some really great people, contact the Brisbane City Council for more info about their GOLD Program.

Thank you to all those families who have supported the Block Card principle of payment. To date, many families have taken up this offer and I think it is a great way for us to repay your commitment to your chosen activity. The block cards can be purchased at anytime so if you are prepared to make the effort, see our helpful staff for more details.

On the business front, the club is still no closer to hearing whether we have been successful in our major facilities grant application. This month, I will be submitting an application to the Gambling Community Benefit Fund for a 25 seater club bus.

On a personal note, I would like to wish our Judo Instructor, Elizabeth Doggett and her lovely family all the best for their move to Cairns. Elizabeth has been a great member of the PCYC for over 4 years and her absence around the club will be severely missed. Mind you, taking her place as the head instructor will be her beautiful sister Jenni Bannah who is just as capable of keeping everyone in line whilst on the Judo mat. Welcome Jenni.

Until next month.
Sergeant David Beard.

Trampoline

On the 18th of March the Wynnum PCYC will be hosting 7 of our competitors who are trying out for Queensland team selection. Good luck to Lincoln, Shannon, Cathy, Harry, Jake, Elizabeth and Isabella.

The first interclub competition is on the 24th and 25th March at the Redlands Gymnastic Club located at Redlands Show Grounds Cleveland. Level's 1 and 2 are on the Saturday 24th and level's 3,4 and 5 are on Sunday the 25th March. The cost to enter is \$7.50 per event and the levels badges are \$4.00 per apparatus if they need updating. To compete in the competition, girls must wear club leotard with white ankle socks and their hair neatly tied back. Boys must wear club leotard, grey shorts and white socks. Good luck to all our competitors!!!!

During these competitions, parent helpers play an important role helping out with marshalling, scoring and spotting. It would be appreciated if anyone would like to volunteer to help out with any of these duties. For more information, please see Lesley or Raelene.

As always, spectators are more than welcome to attend. Please come along, not only to support our hard working athletes but to also to come and enjoy a spectacular display of talent from all over Queensland.

Farewell

It is with great sadness that we farewell our Judo coach, Elizabeth Doggett. She has been coaching at the club for 4 years and has become a treasured member of the Carindale PCYC family. We wish Elizabeth and her family all the very best for their move north
