Seniors Online Security

Do you use a computer or the internet?

If so, have you ever wanted to find out more on:

Internet banking?

Social networking?

Identity theft?

Advance fee fraud and phishing?

Technical aspects of your computer?

The Carindale PCYC has been awarded an \$85,000 grant from the Commonwealth Attorney General's Department to develop training modules for seniors targeting the computer and internet related topics stated above.

If you are interested in being involved in this project, please contact the Carindale PCYC via manager@carindalepcyc.org.au to register your interest.
